EQC Wear and Tear Package

Available when you purchase your vehicle, our EQC Wear and Tear package includes a single replacement of your front & rear wiper blades in addition to your front & rear brake pads and discs in an all-in-one package.

Benefits:

- **Cost certainty:** One set price for the applicable parts and associated labour, purchased up front.
- Valid at any Authorised Mercedes-Benz EQ Service and Parts Centre refer to www.mercedes-benz.com.au for further details.
- During the term of the package, the benefit of any unused parts in the Wear & Tear package can be transferred to the vehicle’s next owner.
- **Increased resale value:** Upon request, the vehicle owner is entitled to a full history of replaced parts from an Authorised Mercedes-Benz EQ Service and Parts Centre. The balance of the available parts will support an increase in resale value.
- **Transparency:** Budget your cost of ownership by knowing the costs upfront.
- **Convenience:** Save time at your standard scheduled service visits.
- **Safety & original quality:** Maintain your EQC at an Authorised Mercedes-Benz EQ Service and Parts Centre, using Mercedes-Benz Genuine Parts.
- Package can be finance bundled with the EQC as at the time of vehicle purchase.
